# *Introduction*

The North American Hairstyling Awards (NAHA) is proud to celebrate 25 amazing years of recognizing the industry's most talented artists.

From its humble beginnings in 1989, NAHA has come to be known as the professional salon industry's preeminent photographic hairstyling competition. Throughout the past 25 years, the NAHA ceremony has traveled across the U.S. to find its home in Las Vegas, recognized technical mastery in numerous categories, honored some of the most iconic names in the industry, and forged the path for hundreds of North American hairstylists to elevate their craft and career.

The Professional Beauty Association (PBA), owner, operator and manager of NAHA, extends our sincerest thanks to the professionals and artists who have made this celebration of beauty and talent the incredible success it is today. We look forward to many more amazing years to come.
